- 1 / ~~Do not believe~~ ^{does not} that SIC fully meets requirements at this time.
- 2 Question The need for JSPD to have full knowledge of all OPC answers no limitations?
- 3 Full Security Clearance should ~~be sufficient~~ be sufficient for Personnel to audit SIC as auditors, however ~~I am not sure of~~
✓ Question The ~~structure~~ of Regular CIA employees has unnecessarily expanded. Suggest we might better arrange a special briefing by detail of an instructor to a day to participate with OPC on this matter.
